

2nd Annual Drive-By Can Drive

Wed., October 24th
START SAVING POP CANS
& WATER BOTTLES!

Please help support our 5th grade Girl Scouts who will be collecting cans and plastic bottles for the Caring Closet. The Caring Closet helps disadvantaged students in our school district by providing clothes, shoes, school supplies, hygiene items, and emergency bedding.

Donate at the Curb

Start saving your cash-redeemable cans and plastic water/pop bottles now (Sorry, no glass containers will be accepted), and on October 24th, drive by and drop them off in front of the Mary Woodward garden.

Every nickel counts - Last year, students throughout the Tigard-Tualatin School District raised **over \$4,000** for the Caring Closet!

Thank you,
