Message from the President

I hope March finds you with a Spring in your step. February was a great month!

Huge kudos to Karen Voorhees & Shelly Smelser for an amazing Daughter Dance. We had 326 daughters and dates joining in the fun – thanks for coming out! Some fun new touches such as corsages made by Kari Vandergriff and her mom, and having photos to take home that night were much appreciated by the attendees. Although not set up as a fundraiser, the dance and corsage sales raised \$1,400 for the PSO!

Thank you to Devon Kelly and volunteers for working at the hearing screening – this an important service we help with every year.

We had a fun Burgerville night too. Thank you for coming out and joining the fun! Thanks also to all the Ambassadors who volunteered to be the best servers ever, and to Amanda Pileri and Jennifer Feeney for setting it up. Thank you to all the families who came out to the Sherwood McMenamins to participate in the dine out night in January, which brought us \$857 from the evening.

And last but certainly not least, the Soaring Eagles Safari Auction was a huge success! We are still finalizing numbers, but it's looking like we far surpassed our goal and will net over \$40,000. WOW!! Thank you to everyone who came out, bid high, and had a great evening while making a huge impact on the programs we can offer next year for our growing population of kids. Thank you to our fearless auction leaders Claudine Payne and Heather Listy, as well as all the parents who helped procure items, decorate and all the other tasks that go into pulling off a huge event like this. What a treat to have all the lovely marketing materials donated and to have a volunteer swap set up with Alberta Rider parents so we could all enjoy the evening. We will need about 8 parents to help with the Alberta Rider carnival on April 9 to fulfill our end of the swap – so please contact the auction team if you can help.

Please join us for a PSO meeting! These monthly one-hour meetings are a great way to find out what's happening at school. The next meetings are on: March 18; April 22 and May 20.

Happy Springing!

Looking for a new Treasurer for the fiscal year July 1, 2016 - June 30th (and beyond?). The current Treasurer will have a 5th grader next fall and was looking to transition the job to someone who could commit to doing the job for 1 more more years. The workload typically ranges from 1 - 3 hours a week, with a few weeks at 4 - 5 hours. Person needs to understand how to balance a checkbook and use EXCEL as the check register. Treasurer also logs in to various charitable giving sites to authorize the release corporate matching donations. Existing Treasurer is willing to train the new Treasurer and be there to answer any questions during the 7/1/16 - 6/30/17 fiscal year.

The Carnival is Coming to Town on June 3

Calling All Carnies! Mary Woodward's Splish Splash Beach Bash Carnival is coming to town Friday, June 3rd!

We need help! We are looking for a few fun and energetic co-chairs to be in charge of vendors, rentals, and ticket sales. These positions are great for parents who can't be at school often. We also need shadows/helping hands for the prize, decorations, and booth rep chairs, which are currently filled but will need to be handed over next year. Take your chance to learn from seasoned carnies!

This is the most highly anticipated event of the year and one where we need lots of help to make it happen for the more than 1,000 guests who attend the carnival. It's a great way to get involved!

For more information on how you can join in on the fun, contact us at woodwardcarnival@gmail.com.

The Japanese have extremely long history of art, and they have made significant contributions in the areas of architecture, ceramics/pottery, prints and paintings and calligraphy (the art of lettering using a brush), to name a few. This month's Art Lit project will focus on the use of paper in Japanese art... and more specifically in a form of art called **Origami**.

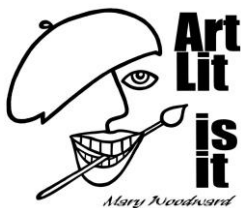

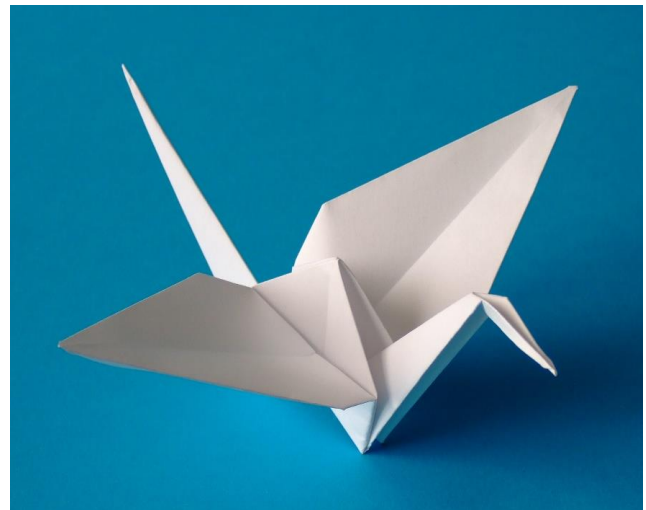

In historical Japan, paper was considered a valuable and expensive product. It was used in many aspects of Japanese life and artwork, most notably in architecture. Shoji doors are a very famous example of how handmade paper was used in everyday life. Umbrellas, fans, lanterns and, of course, art, are other areas where paper was and is used heavily in Japanese culture.

While we're not sure if origami began in China or Japan, we do know that the name "origami" comes from the Japanese words oru (to fold) and kami (paper). In the early stages of origami, it was an art form practiced only by the upper class, because paper was not readily available. Traditionally, most origami instructions were passed on by oral tradition, one generation teaching the next. As paper became more affordable, origami began being practiced by people other than the elite, and it began to be taught publicly in schools.

In traditional origami, the designs are created from a single sheet of paper, with no cutting and no glue. While some of the simpler designs require just a few folds, more complex designs and techniques can be used to produce some truly amazing works of art!

For the month of March, students will create their own **origami shadow boxes**, comprised of two pieces – a dove and an origami-style frame. Students will be reminded that many of the folds made in origami pieces are **symmetrical** – the same fold is repeated on both the left and right sides to create a piece that looks the same on both sides.
