Message from the PSO President

Welcome back after what was perhaps a wonderful, relaxing, adventurous, boring, or fun Spring Break! I just know that it was nice getting to sleep in on a couple of days.

Hopefully everyone had a fun time at our Bingo Night last month. We had a full house of players and lots of winners! Thanks to **Jerry Nihill** for being our celebrity bingo caller along with some lucky students. And thanks to all the volunteers that helped to make it a successful evening. I'm guessing we had about 200 people come to play. If you missed it, there's always next year!

There are lots of exciting events coming up in April and May. The Fifth Grade Ambassadors will be "Stuffing the Bus" with clothing donations for the Caring Closet on April 21st. Please send in your donations of gently used clothing for this greatly appreciated event.

Our **World of Pure Imagination Auction** is coming up on Saturday, April 29th. Get your tickets before the event is sold out. I hope that you will come and enjoy a festive evening of dining and bidding. Bid early and bid often!

The first week of May is our **Staff Appreciation Week** when we all get to express our gratitude and appreciation of our fantastic staff. Look for more information on events for the week to come home in the latter half of this month.

This is also the time of year when we begin looking ahead to the coming school year, and think about passing on the reins to new leaders. If you're interested in joining our PSO board next year, or heading a committee, or just looking to get more involved, please contact any of us for more information, and come join us at our next PSO meeting on Friday, April 28th. We'd love to see you there!

Wendy Jenkins, PSO President (mwpsopresident@gmail.com)

Fundraising Night at McMenamins was a Success!

Thank you to all who participated in the McMemamins fundraiser this week. The event was a great success, and we couldn't have done it without you!

The event raised \$2,124.93 for our school!
Great job, everyone!

Auction Greetings!

I am writing on behalf of the Mary Woodward Elementary PSO Auction Committee in hopes you would be willing to make a donation to our annual spring auction. This event is taking place on Saturday, April 29, 2017. At this event, typically attended by 200+ families, we auction off gift cards, merchandise and services generously donated by businesses like yours.

With your financial support or generous gifts we will be able to continue programs and activities not supported by the state's education budget. These important programs and activities affect the education of **ALL of our students:**

- Teaching assistants to enable teachers to work with smaller groups of students within the mandated larger class sizes.
- Art Literacy, which is a monthly parent volunteer run art curriculum, Science Fair, Book Fair & Cultural Fair.
- Field trips, enrichment assemblies and other special learning opportunities including our nationally acclaimed Woodward Garden.

The Mary Woodward Parent Support Organization is seeking your **support** for this year's auction in two ways: (1) donating services, merchandise, and gift certificates that can be auctioned; and (2) advertising in the auction catalog and becoming a sponsor to let our students and their families know that you support our school. Your greatly appreciated **tax-deductible** donation will make a significant difference in the lives of all our Kindergarten - 5th grade students, in turn helping to shape the future leaders and consumers within our community.

We will need to collect donations by April 14, 2017. All donations are fully **tax-deductible** as allowed by law. The Mary Woodward PSO is a 501(c) tax exempt organization, EIN # 93-1207373.

I look forward to hearing from you soon! If you have any questions please contact Heather Listy at 503-405-2092 or email us at mweaglesauction@gmail.com.

Thank you for your time & support!

Sincerely,

Heather Listy, Carrie Mantel & Nicole McNutt

Gustav Klimt – A Gold Master

1862 - 1918

Gustav Klimt was a master of eye popping pattern and metallic color. Art Nouveau artists like Klimt used bright colors and swirling, flowing lines and believed art could symbolize something beyond what appeared on the canvas.

Klimt was born in Vienna, Austria where he lived his whole life. Klimt's father was a gold engraver and he taught

his son how to work with gold. Klimt won a full scholarship to art school at the age of 14 and when he finished, he and his brothers started a business painting murals on walls and ceilings for mansions, public theatres and universities.

When asked why he never painted a self-portrait, Klimt said, "Whoever wants to know something about me... ought to look carefully at my pictures."

Klimt was inspired by Byzantine Mosaics from the Medieval Period. When Klimt switched from painting on murals to painting on canvases, he used patterns and colors just like the mosaics he loved.

The Kiss is one of Klimt's most recognized masterpieces. Only the faces in this glowing painting are in focus, everything else is a swirl of pattern. This makes us focus on the emotions the man and woman are feeling as he kisses her cheek.

Klimt's famous portrait of Adele Bloch-Bauer took three years to complete. Look at all the different shapes and patterns Klimt uses to create the dress, the chair and the background of the portrait. Bloch-Bauer was one of many important patrons of the arts for whom Klimt painted portraits.

This month, students will create their own golden portraits in the style of Klimt. But instead of drawing women, they will be drawing cats inspired by a famous photo of Klimt holding his studio cat!
